I am the mayor of your town and I have a problem. Find out what my problem is and offer me some good advice.

First

You should look at the pictures below and ask:

- What is the problem?
- What are the options?
- What are the disadvantages of each option?

Then

When you have all the information you need, explain which option you think is best and why. Be ready to explain why you didn't choose the other option. Remember to use information you learn from asking questions to explain your final choice.

Finally

After you have shared your decision, you will be asked more questions about the topic.
